	Scope	Check	Finding	Action
ERROR	Envelope	Cash reconciliation	Float $300.00 – receipts $276.53 = $23.47 expected back; $21.47 returned. SHORT by $2.00.	Resolve with the crew member (missing receipt, lost-receipt affidavit, or cash correction).
WARNING	PC001-002	Receipt arithmetic	Subtotal $86.25 + tax $8.19 = $94.44, but the receipt's printed total is $94.94 (difference $0.50).	Confirm the amount actually paid; the vendor may have mis-totalled. Attach a note if reimbursing the printed total.
INFO	PC001-001	Description	Filled from the job's line list for line 2410: "Art Dept - Expendables".	Edit on the review screen if a more specific description is wanted.
INFO	PC001-003	Description	Filled from the job's line list for line 2510: "Props - Purchases".	Edit on the review screen if a more specific description is wanted.
INFO	PC001-003	Payment method	Receipt shows payment by Visa, not cash.	Confirm this was paid personally (reimbursable) and not on a company card, to avoid double payment.
